

Paparazzi Girl (aka Anginet Page)

Anginet Page (aka Paparazzi Girl) is an international award winning photojournalist who specializes in capturing her subjects with a candid approach.

Paparazzi Girl may be hired as an independent photographer for her exclusive *Paparazzi Sessions*. These sessions are designed to capture clients in a natural environment. Clients are encouraged to choose an activity to enjoy while Paparazzi Girl captures images candidly. Very little direction comes from her in these types of sessions. Paparazzi Sessions are for children, single-family units and individuals only.

Other photography services offered by Anginet include: Weddings, Senior Portraits, Boudoir Sessions and special events.

Digital Files

Anginet offers the option to purchase the digital files from your session. Digital files are High-Resolution images that come in JPEG format. These files come with personal printing rights. This means that clients may take their final images to any printer they choose. This gives the client maximum flexibility to control the amount they spend on printing.

Anginet Photography offers a unique frequent buyer / referral program which allows customers to earn Digital Dollars. These dollars can be used towards the purchase of high-resolution files. Digital Dollars may be acquired in a number of ways. Please inquire for more information.
